HAPPY NEW YEAR

JANUARY 13

JOSH MILLER AND WIDOW'S GRAIN

Don't get superstitious because it's FRIDAY THE THIRTEENTH! A native of Spring City, TN performs dark and eerie mountain tunes from 100 years ago and today. He has written several songs for major artists in the bluegrass industry and is finally ready to step out of the shadows and show you what the song looks like from someone who believes every haunting word he sings. With his Trio of seasoned musicians, you'll visit the home of a moonshiner, the backside of a mountain, the scene of a murder ballad, and the bar of a tear jerker. Curtain at 7:30 Cost is \$10.

JANUARY 28

JASON COLEMAN'S

THE LEGACY OF FLOYD CRAMER

Since he was old enough to reach the keys, Jason Coleman has been playing the piano. At an early age, he began to follow in the footsteps of his grandfather, piano legend Floyd Cramer, making several appearances with Floyd on television and at live shows as a child. Over time, his playing style has progressed and matured into an uncanny reflection of the signature styling of his granddad. Curtain at 7:30 PM. Cost is \$12. www.jasoncolemanmusic.com
